Results Document
Avocado Price Prediction

ICT & Artificial Intelligence

Deyna Baeva | 3595234 | 10-05-2021

The main goal of this document is to show the outcome of the predictive model that I have built. In the attached screenshot (Figure 1), you could observe the results from using the Regression models.

```
Linear Regression
Training set score : 0.66
Testing set score: 0.65

Ridge
Training set score : 0.66
Testing set score: 0.65

Lasso
Training set score: 0.01
Testing set score: 0.01
Number of features used: 1
```

Figure 1
